

PETERLOON 2008

Event Evaluation Feedback Form

District:

Troop/Crew/Pack:

At Peterloon 2008 we worked to maintain many of the most popular jamboree type events from previous Peterloons -- focusing on patrol competition, reinforcing the Patrol Method, and highlighting our theme this year of Building Leaders and Inspiring Achievement. We also tried to make progress in overcoming some of the logistical challenges inherent with an event of this size. Your feedback will help us understand what worked well and what we can try to improve at the next Peterloon.

Please complete and mail this evaluation to the Program Office of the Dan Beard Council by Oct. 24, 2008.
